Subject: Application for the Post of Music Teacher (Instrumental)

Respected Sir/Madam,

I am writing to formally apply for the position of Music Teacher (Instrumental) at your prestigious institution. With a strong academic background in music and a cleared CBT (Computer Based Test) status, I am confident in my ability to contribute significantly to the cultural and artistic growth of your students.

I hold a Master of Arts (MA) in Music, which has equipped me with an advanced understanding of musical theory and practical instrumental performance. My dedication to the field is further demonstrated by my successful completion of the DAV CBT entrance criteria, proving my readiness to adhere to the high pedagogical standards upheld by the DAV College Managing Committee.

As an instrumentalist, I am passionate about nurturing the creative talents of students and helping them master the technical nuances of music. I am eager to bring my skills to DAV Ghumarwin and help maintain the school's reputation for excellence in extra-curricular and cultural activities.

Enclosed with this letter are the details of my qualifications. I look forward to the opportunity of an interview to discuss how my expertise can benefit your school.

Thanking you,
Yours faithfully,

Mohan Singh
